## Datasheet Plaatkabelschoen DIN46234 1,5-2,5mm<sup>2</sup> M12

|                 |                                    |
|-----------------|------------------------------------|
| Artikelnummer   | ICQ212*                            |
| Doorsnede Kabel | 1,5-2,5 mm <sup>2</sup>            |
| Gatmaat         | M12                                |
| Materiaal       | CU-HCP 99,95% volgens DIN EN 13600 |
| Afwerking       | Galvanisch vertind                 |
|                 |                                    |

### Maten:

|         |             |
|---------|-------------|
| D1      | 2.3mm       |
| D3      | 18mm        |
| D2      | 13mm        |
| L       | 20mm        |
| A       | 5mm         |
| Gewicht | 0.16 kg/100 |
|         |             |
